Data Protection

Information provided on the checklist form will be held securely on the Nottingham City Signposting Service Database. Under the Data Protection Act 1998 you have the right to access this information. Under this act information on this form may be shared with partner organisations involved with the Signposting Service to help you access further services.

Age UK Notts: Home Safety and Improvement (Freephone Tel: 0800 888 6464) includes free home safety checks

Age UK Information and Advice (Tel: 0115 8440011) Help with non state benefits advice, wellbeing advice, money and legal advice and housing and care options. A one contact point for multi-disciplinary support.

The Alzheimer's Society (Tel: 0115 9343800) If you are affected by dementia, we are here for you. Our specialist Dementia Support Workers offer emotional support and information and practical guidance to help you understand dementia, cope with day-to-day challenges and prepare for the future. They will help you remain independent and stay active for as long as possible and to find other local services which can help to improve your life. The support is available face-to-face, over the phone or in writing for people with dementia, carers and family members. We also provide Dementia Cafes, Signing for the Brian Groups, Carers Support Groups and a carers Information and Support Programme.

Click Nottingham Social (Tel: 0115 9787846) is a charity that helps to reduce loneliness and social isolation. We help people connect with each other, make new friendships and feel part of a community. We can offer personalised support to help overcome barriers and smaller bespoke social and activity groups to build confidence.

Website: www.clicknottingham.org.uk

Department for Work and Pensions (DWP) (Tel: 0845 60 60 265) Offer advice on all social security benefits and state pension including - Attendance Allowance, Disability Living Allowance , Personal Independence Payment, Carers Allowance, Pension Credit, Housing Benefit. DWP can also offer a home visiting service for those who are unable to access services online via www.dwp.gov.uk or by telephone. Staff who visit will help with the completion of benefit claim forms if necessary.

Community Rehabilitation, Falls & Bone Health Service – 0300 131 0300

Provide community rehabilitation to reduce the number of falls in older people. The team is made up of Nurses, Physiotherapists, Occupational Therapists, Assistant Practitioners and Rehabilitation Support Workers. People will have a full medical assessment, and a personally tailored rehabilitation and exercise programme.

Nottingham and Nottinghamshire Healthy Housing Service (Tel: 0115 985 3009)

Provides home insulation and heating improvements for homeowners and private tenants living in Nottinghamshire. The Service is able to offer help with boiler replacements and boiler servicing, subsidised loft and cavity wall insulation and information about grants for solid wall insulation (this is insulation for older properties and or concrete homes without a cavity). We provide the Improving Health through Warmer Homes Training Course for frontline staff, run energy saving workshops for community groups and advice on keeping warm in winter, including details about energy bill discounts and free home visits. NNHHS also focuses on the promotion of the home safety and mobility services for the elderly

My Sight Nottinghamshire (Tel: 0115 9706 806) Provides support to enable visually impaired people to become more independent through a range of services including technology, equipment advice and befriending. We also offer group activities including arts and sports.

Nottingham City Homes: HomeLink (Tel: 0845 330 3131) Manage the council stock on behalf of Nottingham City Council. Property is allocated through a choice based lettings scheme, advice is offered on housing options, plus support and guidance is provided to vulnerable applicants. **Repairs Contact Centre (Tel: 0115 915 2222):** available to Nottingham City Homes tenants and open 24 hours a day, every day.

Occupational Therapy (Tel: 0300 300 3333, Option 2) Provide equipment and adaptations to people with a permanent and substantial disability, to enable them to be independent in their own home. It might involve the **Adaptations Agency** who provide a one-stop service to people who need to adapt their home because of a disability or due to the problems associated with increasing age.

Preventative Adaptations (PAD) (0115 8762485) Offer a free service to anyone aged 60 or over comprising a comprehensive range of minor adaptations to reduce the risk of falls and to increase safety in the home.

Priority Services Register Western Power Distribution (Tel: 0800 6783 105)

To minimise the effect that any planned or unplanned Power cut would have on those who are reliant on Electricity for Medical or Age or Disability reasons.

Sixty Plus Support Service (Tel: 0203 535 5150) Support with housing related issues to enable people to live safely, comfortably, and independently in their own homes. This free and confidential service provided by Metropolitan offers a range of support.

STEPS (0203 535 5244) If you need support for wellbeing and positive mental health and have a problem in accessing services due to a language barrier, or lack of information, then STEPS maybe the service that can help. You will get one to one support while accessing health services or support to attend local group activities to improve your social life.

Do you have a carer or are caring for someone who has mental health issues? If you do and are from the BAMER community, registered with a City GP and 18 years of age or over, then contact STEPS for support.

Telecare (Tel: 0115 876 3222) Combine technology and support to provide help in an emergency. It aims to help you and your carers feel more confident about living independently in your own home.

Trading Standards (Tel: 03454 04 05 06) via the Citizens Advice Bureau provides support and advice for people who have had problems with rogue traders or scams. We can also give preventative advice if you want to know how to protect yourself from these.

Turning Point (Tel: 0300 555 0456) Designed to provide quick and easy access to a range of psychological therapies so you can get the help you need, when you need it. If you are feeling down, worried, depressed or anxious, we can help, whether face to face, over the phone or with online support through My Turning Point our digital therapy tool.
