

How to place a bid on Housing Jigsaw

Log into your Housing Jigsaw account

Please check the portal from Monday 15th February 2021 onwards for advertised vacancies

We believe everyone should have a home and a chance to live well

Then select Atlas – search for a home

Use the search function to search for a property in a postcode or by bed size. (You will see a list of all the properties that we are currently advertising but will only be able to place bids on those properties that you are eligible to bid on)

The screenshot shows the search interface for Housing Jigsaw. At the top, there is a navigation bar with a menu icon and the Metropolitan Thames Valley logo. Below this is a search bar with the text 'Search for homes to rent'. The search filters include: 'Place or postcode' with a text input field and a search icon; 'Search distance' with a dropdown menu set to 'Any'; 'Rent (£) per month' with 'Min' and 'Max' dropdown menus and a 'to' separator; and 'Number of beds' with 'Min' and 'Max' dropdown menus and a 'to' separator. There is also a 'Keywords' input field with a search icon, a 'Clear all' button, and a 'Save search' button. Below the search filters is a link for 'Advanced search options'. At the bottom, there are options to 'View as' (Grid, List, Map) and 'Sort by' (Date added (most recent first)).

Or scroll down and look at the properties that have been advertised:
